## The Religion Teacher

*“The religion teacher is the key, the vital component, if the educational goals of the school are to be achieved. But the effectiveness of religious instruction is closely tied to the personal witness given by the teacher; this witness is what brings the content of the lessons to life . . . Most of all, students should be able to recognize authentic human qualities in their teachers. They are teachers of the faith; however, like Christ, they must also be teachers of what it means to be human . . . A teacher who has a clear vision of the Christian milieu and lives in accord with it will be able to help young people develop a similar vision, and will give them the inspiration they need to put it into practice.”*

(Congregation for Catholic Education, The Religious Dimension of Education in a Catholic School, 1988)

### A few notes on using the Pacing Guides...

- Passing on the faith to the next generation is a primary mission of the church, and Catholic schools have participated in this evangelizing mission from the very beginning.
- The Religion Pacing Guides are truly *guides* for instruction. They are not the Religion Guidelines, nor are they a curriculum. They are intended to help the teachers in organizing their instruction of the content of the Religion Guidelines.
- The **Sadlier** and **Sophia Institute** textbooks/resources are not curriculums. Therefore, the Pacing Guides do not follow the order of any textbook. Hence, in the **Resources** column of the Pacing Guides, chapter numbers from the Sadlier\* textbook appear inconsecutively and multiple times. (\***We Believe** Catholic Identity editions)
- There is time allotted for review prior to each semester’s testing window in January and June.
- The liturgical calendar notes are not part of the instructional content; they are included simply so teachers can be aware of celebrations in the life of the Church to inform the life of their classroom and instruction.
