Dear Parent or Guardian:

It is with a heavy heart that I share difficult news about your school.

As part of our ongoing process of the **School Viability Study** of Parish and Regional Elementary Schools in the Archdiocese of New York, it has been determined that **St. Lucy's School**, along with other beloved Catholic schools in the Archdiocese, will close at the end of the **2024-25 academic year**. This decision was made after extensive reflection, study, and prayer, as we face significant challenges that make it impossible to continue our mission at this location.

I know this news is heartbreaking. **St. Lucy's School** has been a cherished place of faith, learning, and love for generations, with a legacy of deep devotion to the education and formation of young hearts and minds. Please know that this decision was not made lightly—it was reached with great care for the future of Catholic education in New York.

Even in this difficult time, we must hold on to the belief that our mission continues. Catholic education remains strong and steadfast because we know the profound impact our schools have. Now more than ever, the world needs faith-filled leaders who emerge from our classrooms.

I want to assure you that **every child will have a place in another Catholic school**. Our Enrollment Directors will personally work with each family to find the best school for your child next year. You will receive guidance and support throughout this transition, and additional information, including your Enrollment Director's contact details, is available at [www.catholicschoolsnyc.org/school-announcements](http://www.catholicschoolsnyc.org/school-announcements)

Please know that you, your children, and the dedicated principals, teachers, and staff of all our Catholic schools remain in my heartfelt prayers.

May God continue to bless and guide you in the days ahead.

Sincerely, in Christ,

Sister Mary Grace Walsh, ASCJ, Ph.D.  
Superintendent of Schools

Estimados padres o tutores:

Con gran pesar, comparto las difíciles noticias sobre su escuela.

Como parte de nuestro proceso en curso del **Estudio de Viabilidad Escolar** de las Escuelas Primarias Parroquiales y Regionales de la Arquidiócesis de Nueva York, se ha determinado que **St. Lucy's School**, junto con otras queridas escuelas católicas de la Arquidiócesis, cerrará al finalizar el **año académico 2024-25**. Esta decisión se adoptó tras una exhaustiva reflexión, estudio y oración, ya que nos enfrentamos a importantes dificultades que hacen imposible continuar nuestra misión en este lugar.

Sé que esta noticia es desgarradora. **St. Lucy's School** ha sido un lugar de fe, aprendizaje y amor apreciado durante generaciones, con un legado de devoción profunda a la educación y formación de jóvenes corazones y mentes. Por favor, sepan que esta decisión no fue tomada a la ligera; se llegó a ella con gran cuidado por el futuro de la educación católica en Nueva York.

Incluso en estos tiempos difíciles, debemos aferrarnos a la creencia de que nuestra misión continúa. La educación católica se mantiene fuerte y firme porque conocemos el profundo impacto que tienen nuestras escuelas. Ahora más que nunca, el mundo necesita líderes llenos de fe que surjan de nuestras aulas.

Quiero asegurarles que **todos los niños tendrán una vacante en otra escuela católica**. Nuestros directores de matriculación trabajarán personalmente con cada familia para encontrar la mejor escuela para su hijo/a el año que viene. Recibirán asesoramiento y apoyo a lo largo de esta transición. Encontrarán información adicional, incluidos los datos de contacto de su director de matriculación, en [www.catholicschoolsny.org/school-announcements](http://www.catholicschoolsny.org/school-announcements).

Sepan que ustedes, sus hijos y los dedicados directores, maestros y personal de todas nuestras escuelas católicas permanecen en mis más sinceras oraciones.

Ruego que Dios les siga bendiciendo y guiando en los días venideros.

Sinceramente en Cristo,

Hermana Mary Grace Walsh, ASCJ, Ph.D.

### **1. Why will my school not be reopening?**

We understand that this is upsetting news, and that you may feel there could have been something more you or your school community might have done. As part of the recently conducted School Viability Study (SVS), careful deliberation, research, and analysis went into the final determination of which schools would not reopen. Unfortunately, the demographics and lower enrollment have significantly impacted the ability for these schools to continue operation.

### **2. Will I have to re-apply to the new school?**

Families whose schools are not reopening are required to submit a new application and register at a different Catholic school for the 2025-2026 school year to hold a seat for their child(ren) at the new school. Once you have selected a school, simply visit <https://admissions.catholicschoolsny.org> and submit your application.

### **3. If my school is closing, will I have to register at the new school?**

Yes. In order to complete enrollment at your new school, you will have to register your child(ren) and pay the applicable registration fee. If you register at a participating school before April 15, 2025, you will save \$100/student in registration fees. In addition, you will receive a credit to reimburse you for the entire registration fee in your November, 2025 tuition invoice at participating schools.

**4. Will my tuition costs go up if the new school's tuition is higher than at my current school?**

The Archdiocese of New York is committed to making every effort to minimize the financial impact to your family as a result of this transfer.

All families – including those not previously receiving assistance – will have a chance to apply for financial assistance as part of their application to a new participating school.

**5. Who do I turn to for help?**

Your Regional Director of Enrollment will help you and your child(ren) transition to another Catholic school for the 2025-2026 school year. You can reach your Regional Director of Enrollment at the email address indicated above for your school, or by calling our bilingual parent helpline at (646) 794-2885 between 9:00 and 5:00 pm Monday-Friday.
