

Tuition and Enrollment Update | May 22, 2025

TMO STAFFING UPDATE

- Shanise Ross has left the Archdiocese to pursue a new opportunity. We thank her for the support she provided to the Tuition Management Office and our GRSS schools in her role as Tuition Billing Coordinator. We wish her all the best in her new endeavor.
- Moving forward, please CC myself, Patrick & Ashley in all e-mails.

SCHOOL SUMMER HOURS

- We understand that school offices may be short-staffed or closed on certain days during the summer. To help us support you effectively throughout the summer months, we will be sending out a Google Form next week for you to share your school's summer hours.

2025-26 PENDING ROSTER REVIEW

- We have begun sharing the Pending Agreement Reports via e-mail.
- Please confirm whether the Customer Name will be the person financially responsible.
- Additionally, confirm if all the students are listed on the account and verify their attendance.
- If applicable, indicate whether this should be a split account.
- If your school offers multiple Pre-K options, please specify the Pre-K choice for each student (e.g., 3 full days, 5 half days, etc.). As a reminder, the tuition rates currently reflect the highest-paid Pre-K option, but we are happy to adjust them to the correct rate if needed.
- Please also review the status of the pending agreement. If you see an Invalid agreement, please reach out to the family if the reason it is invalid is due to a payment method issue.
- If you have any agreements in red lettering, please note that this family has multiple pending agreements and we will need to confirm which agreement will need to stay active.
- Please provide your feedback on this spreadsheet by end of school day on 5-23-2025
- Schools should expect prior year balance lists and school summer hour inquiries next week.

FACTS FINANCIAL/BILLING TRAINING SESSIONS

- FACTS will be hosting a System Navigation & Financial Billing (Premier Incidental, Prepay) training session for principals and school administrators. Please see the dates below:
 - 6/18/2025 1-3pm
 - 6/20/2025 1-3pm
 - 6/30/2025 1-3pm

FACTS TUITION MANAGEMENT COMMON QUESTIONS:

- Can families update their payment information?
Yes! Families may update the payment information on file as long as they have access to Family Portal
 - Click Home from the navigation menu
 - In the Payment Plan and Billing tile, select Actions
 - Select Change Financial Account

The family can then update their payment information on file

If families have trouble making these updates, they are welcome to call the FACTS support line:

1- 866-441-4637

- Can families switch their payment plan after making a selection?
 - Unfortunately, we will have to update this when we are ready to finalize agreements
 - Please forward any requests that you receive, and we will make notes to update when we are ready to finalize agreements at your school
- Can families mail in payments?
 - Yes, but families will have to wait until they receive their monthly invoice

Tuition and Enrollment Update | May 22, 2025

- If they print out the official invoice and mail it with their payment, FACTS will process and apply it to their account
 - All mailed payments MUST include the printed invoice so FACTS knows how to apply the payment
- When selecting Make a Payment, families will be able to select the option to mail in the payment
 - At that point, they will be provided with the address

FACTS RETURNED REGISTRATION FEE PAYMENTS

- We will continue to compile a list of failed payments each Friday, categorized by school. We will then reach out to the school administrators and inform them of the families we will be invoicing for those amounts.
- The DOEs will continue to be included in these communications and generate invoices in FACTS at the beginning of each week, with a due date set for 10 days from the issuance date.

FACTS PAY IN FULL

- When choosing a payment plan, families have never had the option to select Pay in Full. Though this is an option in FACTS that some schools elect to provide their families, we chose to keep the options simple with Automatic and Invoice Payment Plans.
- If a family expresses interest in paying their 25-26 balance up front, they can select either of these options and still log on and make a one-time payment whenever they wish once their payment plan has been set up and activated by TMO.

FACTS AUTO PAYMENTS

- There have been many inquiries regarding parents entering the wrong financial account when setting up their auto payments.
- If the family needs to update their banking on file for the Payment Plans, they need to log in to Family Portal, go to the Financial section, click on Financial Home. Once on the Financial Home dashboard there's a button labeled "Actions" they can use that drop down to select "Change Financial Account."
- This will allow them to update the Banking or Credit Card on file for the 25/26 Payment Plan.

EMERGENCY TUITION ASSISTANCE - INNER CITY SCHOLARSHIP FUND

- Since October, **204 families have been awarded \$147,666.00 in tuition relief.** Applications continue to be reviewed, and Inner City will award weekly. TMO is notified of all awards and will update Blackbaud tuition accounts accordingly.
- Emergency Tuition Assistance is once again available for families experiencing financial hardships in the 24-25 school year. You should have received an e-mail from Inner City Scholarship Fund with the **Google referral link** and **flyer to send to your families** to apply.
- If you have specific questions about the Emergency Tuition Assistance program, please get in touch with Jennifer Ward at Inner City Scholarship Fund (jennifer.ward@archny.org).
- If you have trouble locating the e-mail with the Emergency Tuition Assistance program details or would like to know which families at your school have applied, please don't hesitate to reach out to TMO.

STUDENT WITHDRAWALS & THE 24-25 TUITION & FEES POLICY

- The Tuition Management Office team now requires each family to complete the digital withdrawal form before we can update a student's 24-25 tuition account in Blackbaud Tuition Management.
- **This form is accessible via this link:** <https://forms.gle/Tp6w5eSCZRP93fb16>
- If a family chooses to withdraw their child(ren) from the school once they begin attending, the family tuition obligation will be calculated as follows:

Tuition and Enrollment Update | May 22, 2025

Withdrawal Date	Annual Tuition Obligation
May	No adjustment; family obligation 100%
June	No adjustment; family obligation 100%

LATE ENROLLMENTS

- 24/25 tuition accounts continue to be activated as new and returning students complete their enrollment and pay their registration fees. Students starting school this month are eligible for a late enrollment offset (discount), calculated based on their start date. The table below indicates how this discount is calculated.
- Please provide your TMO Tuition Billing Coordinator with the student's START DATE for all new enrollees, so we can apply the appropriate offset.**

Late Enrollment Date	Annual Tuition Obligation
May	80% of tuition forgiven; family obligation 20%
June	90% of tuition forgiven; family obligation 10%

WITHDRAWN WITH BALANCE (WDWB) & SENT TO COLLECTIONS (STC) ACCOUNTS

- If a family withdraws from your school without fulfilling the required tuition obligation, the account will be designated with a status of WDWB (withdrawn with balance). The family will continue to receive monthly invoices and incur late fees until the outstanding tuition is settled.
- Families will receive two reminders regarding their outstanding balance and will have the opportunity to discuss a payment plan with the Tuition Management Office. After receiving a final notice, families have a 30-day window to either clear their balance or establish an approved payment plan with the Tuition Management Office. Failure to address the balance within this timeframe (or solidify an approved payment plan) will result in the deactivation of their tuition account and the student's grade being updated to STC (Sent to Collections). The family's account will then be referred to a third-party collection agency. Once the account is transferred to a third-party collection agency, all payments must be made through them.
- Tuition accounts are sent to a third-party collection agency on a quarterly basis.**

2024-25 BEFORE/AFTER SCHOOL FEES

- All deadlines for adding fees to 2024-25 tuition accounts for May billing have passed.
- The 24-25 tuition billing period cannot be extended beyond the school's designated billing months.
- If you require assistance with billing for May and June after-school services and have not yet processed billing through Blackbaud, please contact your Tuition Billing Coordinator. They can guide you on how to use the "Buy Now" feature in Blackbaud to facilitate payment collection for after-school services.**

PAYMENTS MADE AT SCHOOL

- All parents are expected to make tuition payments directly in Blackbaud Tuition Management. Accepting tuition payments at school is not recommended for many reasons, including staff safety. However, we know that the courtesy of accepting tuition payment at school is sometimes extended for good reason.
- If a payment is made at school, the school is asked to:**
 - ✓ Photocopy the front and back of all checks and money orders (and keep in your files)
 - ✓ Write the Blackbaud Family ID# in the memo section on the front of the check or money order
 - ✓ Print out the tuition invoice for that family and mail the check/money order and invoice to Blackbaud:

Mail to: Blackbaud Tuition Management, P.O. Box 11731, Newark, NJ 07101-4731

Tuition and Enrollment Update | May 22, 2025

- Encourage parents to keep money order receipts to verify the money order was cashed. Blackbaud Tuition cannot retrieve information on a lost payment without a copy of the payment method.
- **Cash should NEVER be accepted at school for tuition payments or school fees.** If a family insists that they can only pay in cash, please instruct them to utilize the “**Pay Near Me**” option offered by Blackbaud Tuition.
