

## Tuition and Enrollment Update | January 23, 2026

### ADMISSIONS UPDATE

- We continue to see a steady flow of admission applications. As previously shared, please ensure all applications are carefully reviewed for accuracy before marking them Ready for Import. Once an application is imported and a seat will be offered, the student's status must be updated to "Offer Sent" for the family to receive an enrollment invitation when enrollment opens on January 26.
- FACTS enrollment training and resource manuals remain available to support schools, including guidance on sending enrollment packets, resolving errors, and applying blocks. Financial blocks will continue to be handled by TMO, while all other blocks must be addressed at the school level prior to the opening of enrollment.
- UPK students have been removed from the reenrollment queue; however, some schools will still need to audit their returning student queue to ensure they are following the established protocols for Pre-K3, Pre-K4, and UPK students. Please reach out to your Director of Enrollment if you have questions regarding the specific process for your school.
- We also encourage administrators to ensure they are familiar with the proper guidelines for withdrawing students both prior to and after the opening of enrollment. These guidelines are outlined in detail in a step-by-step PDF manual, which can be found in the January 22 Technology Newsletter.
- **In preparation for the upcoming weather conditions, please note that enrollment notifications are handled at the school level. If a school is not operating on Monday, January 26, enrollment notifications will not be sent to families and should be issued as soon as staff returns. We will continue to monitor the situation and provide updates as needed.**

### INNER-CITY SCHOLARSHIP FUND UPDATES

- Inner-City Scholarship Fund will open financial assistance on Monday, January 26. They will be sending renewal invitations to all eligible returning families. Families with rising 9th-grade students who previously received financial assistance through Inner-City Scholarship Fund or the Children's Scholarship Fund (CSF) will also receive an invitation to apply.
- As a reminder, all new families, regardless of grade level, will receive a financial assistance link and access code. The link will take families to the Inner-City Scholarship Fund splash page and then redirect them to the Children's Scholarship Fund (CSF) website to start their application.
- Thank you for your continued collaboration as we prepare for a smooth enrollment launch.

### YEAR END FAMILY STATEMENTS

- Parents may print a statement of tuition payments for tax purposes through their FACTS account.
- Log in to the FACTS Family Portal. From the left-hand menu, select Financial, then click Financial Home on the right-hand side of the screen.
- Navigate to Payment Plan & Billing and select View Details. On the Activity Details page, click View Payment Summary, then select the applicable year from the calendar drop-down menu.
- Use the Print option in the upper-right corner to download or print the tax statement.

## Tuition and Enrollment Update | January 23, 2026

### FACTS ENROLLMENT FEE

- Please be advised that FACTS accounts with an outstanding \$50 Enrollment Fee are subject to inactivation. **This enrollment fee is separate from the school's registration fee and is invoiced directly by FACTS upon activation of a payment plan.**
- TMO will continue to issue the Scheduled Termination Activity Detail Report to facilitate timely communication with affected families. This process ensures that families are provided with reasonable notice and an opportunity to remit payment prior to account inactivation.
- Timely payment of the enrollment fee is required to maintain active status within the FACTS system and to prevent any interruption of the payment agreement.

### IDENTIFYING FAMILIES FOR BLOCK STATUS IN FACTS

- The Tuition Management Office has completed a review of 2025–26 tuition accounts. Through this review, we identified families who fall into one or more of the following categories:
  1. Families who have made no payments toward tuition for the 2025–26 academic year
  2. Families with unresolved account balances reflected in Blackbaud
  3. Families whose accounts are more than 90 days past due

Principals will be provided with a list of families whose accounts have been placed on enrollment block by TMO.

Formal notification will be issued to affected families prior to the opening of Enrollment, following principals' review of their respective lists. The notification will inform families of their BLOCKED enrollment status and invite them to contact our office to discuss available options, including payment plan arrangements or other forms of support.

### TUITION DELINQUENCY MANAGEMENT

- Please be reminded that schools are required to withhold report cards from families with outstanding tuition obligations. This measure ensures consistent enforcement of financial policies and supports the integrity of each school's tuition management practices.
- If your school has established any internal or informal payment arrangements with families, please notify TMO promptly and copy Patrick McCullough and Kenny Marrero on all related correspondence.

### EMERGENCY TUITION ASSISTANCE - INNER CITY SCHOLARSHIP FUND

- Since October, **104** families have been awarded a total of **\$95.410** in tuition relief. Applications continue to be reviewed, and Inner City will issue additional awards on a weekly basis. TMO is notified of all awards and will update the corresponding FACTS tuition accounts accordingly.
- Emergency Tuition Assistance is now available for families experiencing financial hardship during the 2025–2026 school year. An email has been sent from the Inner-City Scholarship Fund with detailed instructions on how to refer eligible families to apply for this assistance.
- If you have any specific questions regarding the Emergency Tuition Assistance Program, please contact Jennifer Ward at the Inner-City Scholarship Fund via email at [jennifer.ward@archny.org](mailto:jennifer.ward@archny.org)

## Tuition and Enrollment Update | January 23, 2026

### REFUNDS

- Please be advised that there have been important updates to the refund process for the 2025–2026 school year for families who withdraw and have a credit balance on their tuition account.
- The school must complete a Refund Request Form, which must be reviewed and signed by the school principal. Once the form is submitted, the Tuition Management Office (TMO) will review the request and forward a refund request packet to the GRSS Treasury Team. The refund request will require approval by the Regional Finance Manager (RFM) before processing can proceed. Upon final approval, a refund check will be issued.
- Please ensure that the parent's current mailing address is included on the Refund Request Form. Confirm if the address is a private home and, if applicable, include the apartment or unit number.
- Please allow up to 2 weeks from the time the request is submitted for the check to be processed.
- We kindly ask for your patience and understanding as this process is necessary to ensure proper review, accountability, and compliance with financial controls.

### LATE ENROLLMENTS

- Students starting school in January are eligible for a late enrollment offset (discount), calculated based on their start date. The table below indicates how this discount is calculated.

Late Enrollment Date	Annual Tuition Obligation
September	No adjustment; family obligation 100%
October	10% of tuition forgiven; family obligation 90%
November	20% of tuition forgiven; family obligation 80%
December	30% of tuition forgiven; family obligation 70%
January	40% of tuition forgiven; family obligation 60%

- Please provide TMO with the official start date for all new enrollees so that we may apply the appropriate offset.

### WITHDRAWALS

- We kindly remind all school administrators to promptly notify the Tuition Management Office (TMO) of any student withdrawals, whether involving new or returning families. Please note that no changes will be made to a student's 2025–2026 tuition account in FACTS until the family has completed the official digital withdrawal form, as required by TMO. Timely submission of this information is essential to ensure the accuracy of student records, tuition billing, and financial reporting. Your cooperation in this process is greatly appreciated.
- This form is accessible via this link: <https://forms.gle/Tp6w5eSCZRP93fb16>
- We kindly ask that you pay close attention to the withdrawal policy and the corresponding tuition responsibilities.
- If written notice is received after August 15 and the student does not attend, 90% of the annual tuition will be forgiven. The family will still be responsible for 10% of the yearly tuition as billed.
- If a family chooses to withdraw their child(ren) from the school once they begin attending, the family tuition obligation will be calculated as follows:

Withdrawal Date	Annual Tuition Obligation
September	80% of tuition forgiven; family obligation 20%
October	70% of tuition forgiven; family obligation 30%
November	60% of tuition forgiven; family obligation 40%
December	50% of tuition forgiven; family obligation 50%
January	40% of tuition forgiven; family obligation 60%

## Tuition and Enrollment Update | January 23, 2026

### 25-26 BEFORE/AFTER SCHOOL FEES

- All schools are reminded that before and after school pricing details and application forms must be accessible to parents of students in grades UPK–8 on their school websites.
- This is a reminder that each school is responsible for gathering its before/after school fee data and inputting it into the Incidental Billing Spreadsheet found in FACTS. If you are unable to locate the spreadsheet, you must contact TMO immediately for assistance.
- For these fees to be properly reflected as Incidental Expenses, schools must provide TMO with their before/after school fees by the required deadlines, which are based on each school's billing due date:
  - **February 1st** – billing must be submitted by **January 5<sup>th</sup>**
  - **February 5th** – billing must be submitted by **January 9<sup>th</sup>**
  - **February 10th** – billing must be submitted by **January 15<sup>th</sup>**
  - **February 15th** – billing must be submitted by **January 19<sup>th</sup>**
  - **February 20th** – billing must be submitted by **January 23<sup>rd</sup>**

### FACTS TUITION MANAGEMENT COMMON QUESTIONS:

- Can families update their payment information?

Yes! Families may update the payment information on file if they have access to Family Portal

- Click Home from the navigation menu
- In the Payment Plan and Billing tile, select Actions
- Select Change Financial Account

The family can then update their payment information on file

If families have trouble making these updates, they are welcome to call the FACTS support line:

1- 866-441-4637

- Can families switch their payment plan after making a selection?
  - Unfortunately, we will have to update this when we are ready to finalize agreements
  - Please forward any requests that you receive, and we will make notes to update when we are ready to finalize agreements at your school
- Can families mail in payments?
  - Yes, but families will have to wait until they receive their monthly invoice
  - If they print out the official invoice and mail it with their payment, FACTS will process and apply it to their account
    - All mailed payments MUST include the printed invoice, so FACTS knows how to apply the payment
- When selecting Make a Payment, families will be able to select the option to mail in the payment
  - At that point, they will be provided with the address
- FACTS Enrollment Fee:
  - For automatic plans, the \$50 fee is processed from the account provided within 14 days of payment plan finalization.
  - The fee is non-refundable.

## Tuition and Enrollment Update | January 23, 2026

### PK/UPK WRAP TUITION

- The default tuition applied to the payment plans in FACTS for students in PK programs is the 5 Full Day Rate, unless the school provides TMO with a confirmed list of part-time program students before plans are finalized.
- Many of you have already provided updates as you reviewed the pending family rosters for the 2025-2026 school year.
- Since families often change their minds about PK options or later find out that they are entitled to a UPK spot, we expect further changes as the upcoming school year approaches. Please review your PK class lists periodically for any updates and alert TMO as soon as possible if a child switches from full-time to part-time, vice versa, or becomes a UPK student and wishes to participate in a Wrap Program.
- Family frustration is reduced when tuition statements are accurate, and schools can better project revenue for PK programs when billing is up to date. We appreciate your assistance!

### WITHDRAWN WITH BALANCE (WDWB) & SENT TO COLLECTIONS (STC) ACCOUNTS

- If a family withdraws from your school without fulfilling the required tuition obligation, the account will be designated as WDWB (Withdrawn with Balance). The family will continue to receive monthly invoices and incur late fees through their last billing cycle until the outstanding tuition is settled.
- Families will receive two reminders regarding their outstanding balance and will have the opportunity to discuss a payment plan with the Tuition Management Office. After receiving a final notice, families have a 30-day window to either clear their balance or establish an approved payment plan with the Tuition Management Office.
- Failure to address the balance within this timeframe (or solidify an approved payment plan) will result in the deactivation of their tuition account and the student's grade being updated to STC (Sent to Collections). The family's account will then be referred to a third-party collection agency. Once the account is transferred to a third-party collection agency, all payments must be made through them.
- **Tuition accounts are sent to a third-party collection agency on a quarterly basis.**

### PAYMENTS MADE AT SCHOOL

- All parents are expected to make tuition payments directly in FACTS. Accepting tuition payments at school is not recommended for many reasons, including staff safety. However, we know that the courtesy of accepting tuition payment at school is sometimes extended for good reason.
  - If a payment is made at school, the school is asked to:
    - ✓ Photocopy the front and back of all checks and money orders (and keep in your files)
    - ✓ For audit and processing purposes, the customer number must be written in the memo section on the front of the check or money order.
    - ✓ Print out the tuition invoice for that family and mail the check/money order and invoice to FACTS:

**Mail to:** FACTS Management Company P.O. Box 2597 Omaha, NE 68103-2597

- Encourage parents to keep money order receipts to verify the money order was cashed. FACTS cannot retrieve information on a lost payment without a copy of the payment method.
- **Cash should NEVER be accepted at school for tuition payments or school fees.** If a family insists that they can only pay in cash, please make sure to deposit in the operating account and hand parent a receipt.
